

Our BEST! Moments

On the dyno, strip or circuit, DSPORT lives to compete. Sometimes we even remember to capture the moment.

A RECORD BLAST AT THE DRAG STRIP, A PERSONAL BEST LAP TIME AT THE TRACK OR EVEN A DYNO SESSION THAT LEADS TO MORE QUESTIONS THAN ANSWERS IS RARELY CAPTURED IN AN IMAGE THAT SHOWS THE MAGNITUDE OF THE EVENT. OFTEN TIMES, BEING INVOLVED IN THE ACTION LEAVES NO HANDS FREE TO SNAP THAT SHOT. WHEN OUR STAFF TOOK A LOOK BACK, THERE WERE FIVE SHOTS THAT STOOD ABOVE THE REST. THE DART ENGINE DYNO, OUR PROJECT RH9 GT-R SETTING A RECORD, ROBERT CHOO FEEDING THE FLAMES ON THE EVO X, JEREN WALKER RUNNING HIS FIRST 10-SECOND PASS IN THE HONDA HE WISHED HE NEVER SOLD, AND RICHARD FONG GETTING SOME SPEED ON THE ROVAL.

THE RAGING DEBATE ON LONG ROD VS. SHORT ROD WAS PUT TO THE TEST BY DSPORT. THE RESULTS WERE A SHOCK TO MOST.
