

**65227**

## **Carburetor Jet Extension Kit**

Fits: Holley® and Demon 2bbl & 4bbl carbs

Contains three pairs of jet extensions to eliminate fuel starvation  
During hard acceleration and cornering.

1/2" - Use with center hung float bowls

3/4" - Use with Moroso Fuel Level Control Kit No.65221

(Note: requires cutting of anti-foam slosh baffle)

1" - Cut to length for use in custom applications

### INSTALLATION

1. Remove float bowl covers to expose jets.

2. Use hammer to lightly tap extension tubes onto jets

**Caution: do not damage metering block during installation**

**(Note: When using brass floats, the 1/2" extensions must be shortened to 3/8" to clear float.**

3. Remove any plastic clips from inside the extensions.

### SUGGESTED APPLICATIONS

For carbs mounted longitudinally, install extensions on rear facing jets

For dual carbs mounted sideways, install extensions on all jets (2 kits required)
